## A wide-angle photograph of the Shanghai skyline at dusk. The Oriental Pearl Tower stands prominently in the center, its three spheres glowing. To its left, the Jin Mao Tower and other skyscrapers are illuminated. The Huangpu River flows in the foreground, with several boats visible. The sky is a deep blue, and the city lights create a vibrant reflection on the water. In the immediate foreground, the rooftops and structures of buildings in the Bund area are visible, providing a sense of depth and perspective.
